Our Marom Vision

Marom, as the young adult’s organization of the Masorti movement, aims to enrich and inspire their participants with values of Zionism, and meaningful Jewish life, through significant experiences in Israel and around the world.

Marom Mission

Marom aspires to enrich the lives of students and young adults across the world and develop the next generation of Masorti Jewish educators, rabbis, community leaders and active members.

Marom aspires to be a focal social point for young adults who seek to find others with their frame of mind and to create a welcoming, engaging and inspiring Kehila - community.

We are dedicated to leading activities and creating a space that inspires young Jews to have a deep relationship within Jewish life and practice. Find meaning within Judaism by dealing with concerning questions regarding Judaism and daily modern life.
**WHY NOW?**

We are dedicated to leading activities and creating a space that inspires young Jews to have a deep relationship within Jewish life and practice. Find meaning within Judaism by dealing with concerning questions regarding Judaism and daily modern life. We always strive to better the services Marom provides. We know that Marom centers look and operate differently from one city to another & we believe the centers diversity enrich our Marom network. However, we would like to offer a unifying framework and a clear set of expectations for local Marom leaders to use as inspiration and useful set of tools in their work.

**HOW IT WORKS?**

In order to create a vibrant and sustainable Marom community, we believe it is important to maintain a constant and ongoing engagement with our participants. Ongoing activities and events throughout the year helps shape the sense of belonging and create a meaningful Marom experience. In order to achieve this goal, we recommend starting with a minimum of 5 events a year - offering different topics in a variety of locations that reflect the Marom values and practices.

**WHERE? EVERYWHERE!**

We meet our Jewish Identity everywhere. Therefore, we want to offer events in a wide variety of locations. In addition to the synagogue and the Marom center such as urban spaces, out in nature, members homes, sites of other Jewish organizations, or even in local popular places like a bar, restaurant, sport stadium or concert hall.
OUTDOOR HAVDALAH & NIGHT OUT

Havdalah, or “separation” in Hebrew, is Shabbat’s closing ritual. When three stars appear on Saturday evening, we invite you to do your “separation” ritual in an inspiring place (beach, terrace, park), followed by a night out to start the week with new energies.

MITZVAH DAY / TIKKUN OLAM

Bring your members together for a Tikun Olam/Mitzva day volunteering Marom style - whether it’s for a one time or ongoing project during the year. Check out this Israeli Sweater Festival for homeless people in Tel Aviv - at this website, or the Israeli national good deeds day. Click Here!

VISIT A MAROM CENTER

Each Marom center has a different identity, culture and programs. Visiting another center can lead to a meaningful learning experience. Meeting other masorti young adults helps to strengthen your identity, and strengthen the young adult’s network Marom is building.

ISRAEL ESCAPE ROOM

Bring the Marom group together for a fun and challenging ‘Israel Escape room’. They will work together to solve riddles and clues while learning about pioneers in Israel in different aspects. Check out this prepared program - Click Here!
Meditation is not something new to Judaism. From ancient times, sages used to contemplate nature, meditate and prepare themselves for their Tefilot. Connecting with nature, from a Jewish perspective, will allow you to explore new spiritual spaces.

International Women’s Day is celebrated on March 8 every year. It is a focal point in the movement for women’s rights. Equal rights in the eyes of Masorti Judaism is one of its core values. From a Jewish perspective, we were all created as equals. Learn how women are perceived today in the Jewish world, and how the Masorti Movement contributed to the strive of a more equal society.

Collaborate with other interfaith groups or co-existence organizations in your city to invite them to a Marom Shabbat prayer and dinner together, Channuka candle lighting or as a Sukkah Ushpizin. The Marom Paris center has been hosting interfaith Shabbat dinners for the past few years, so feel free to connect with Simon, the Marom Paris leader - marom.paris@gmail.com.

Meditation is not something new to Judaism. From ancient times, sages used to contemplate nature, meditate and prepare themselves for their Tefilot. Connecting with nature, from a Jewish perspective, will allow you to explore new spiritual spaces.

A 24-hour global break from technology. This act highlights the value of disconnecting from digital devices in order to connect with ourselves, our loved ones and our communities, in real time. You can join the National ‘day of unplugging 2019’ starting from Sundown on March 1 to Sundown on March 2, 2019. Alternatively, you can also plan an ‘unplugged shabbaton’, Shabbat dinner or an unplugged nature bike ride.

You can find more information and materials in the reboot website Click Here!

HANNUKAH CANDLE LIGHTING WITH MAROM

Hannuka candle lighting symbolizes the miracle of small resources that can go a long way. Bring your Marom center community together for a candle lighting event in the synagogue/a member’s home/city square. Is it an opportunity to explore how we can bring more light as to our community, city, movement and world, as individuals and Marom representatives, all while enjoying Sufganiyot and Latkes.

HIKING WITH MAROM

Explore your own Jewish identity while exploring nature with Marom members. An excellent combination of the “indoors” and outdoors. Go on a local hike with a limmud on how we take care of our environment from a wide and pluralistic Jewish perspective.

ROSH HASHANA / PESSACH 2ND NIGHT WITH MAROM

Rosh Hashanah & Pessach second seder are usually celebrated with your Kehila. Make Marom your own Kehila! By sitting around the table, it makes us feel like one big family, feeling that our local community is more like our extended family. We invite you to discuss and to ask yourselves what are our modern ways of slavery, how we can be liberated from them, what are some new resolutions for the new year, and more.

TRANSITION CEREMONY - MEMORIAL DAY

One of the most important rituals in Israel is the transition between Israel’s Memorial Day to Independence Day, where we all move from sadness to joy. We offer you a space to handle with this transition, through tfilot, texts, songs and an encounter with young people. Click Here for more info!
